CNC Safety Policy Disclosure  
 The Board of Directors has established the following safety policy for all club activities. The following criteria must be met:

- The dog must be crated or on leash at all times.
- When on leash, the length of the leash must not exceed six feet and may not be a retractable leash.
- When on leash, dogs must be under control at all times.
- Dogs showing uncontrolled or aggressive behavior may be asked by the event chair, a board member, or other official to leave the site promptly or be crated for the duration of the event.
- Current rabies certificate required.

Failure to meet these conditions may result in a disciplinary hearing. There will be occasions when the dog will be allowed off lead when approved by the event
