

# DONT MISS THIS ONE!

## A WATER WORKSHOP

### just for beginners

If you are new to water work or if you have dabbled a bit but have never put a water title on your Newf, then this workshop is for YOU!

In this one day workshop you will learn what equipment you need, how to train various skills both on land and in the water, as well as the Importance of PLAYING in the water with your Newf. Have fun with your Newf while meeting other like-minded owners who are interested in preserving the natural life-saving heritage of this honorable breed while building a bond with your Newf that you have likely not experienced before.
