

Colonial Newfoundland Club's Water Training Seminar with Sue Marino July 15 & 16, 2023

Codorus State Park - Hanover, PA

“There is nothing like the bond that is formed between you and your dog when you are truly working as a team. Now my favorite activity is helping others to learn to form the bond. I teach workshops in draft and water training, assist area training groups, and teach private lessons usually in draft and water skills but I occasionally deal with behavior issues. I enjoy being involved in our local tests and often steward for other regional clubs.

I serve as the regional club liaison on the NCA Board of Directors and continue to serve on the NCA Working Dog Committee after chairing the committee for 8 years. I also served as the President of the Newfoundland Club of New England as well as many years as their working dog secretary. I am a mentor level water and draft test judge. I live in Auburn, MA with my very understanding husband, Bob (he dog sits when I judge and go to Nationals). I have two Newfs, a senior boy who is a VN and loves his “retirement” job as a therapy dog and a one year old girl who has been with me since January and is having fun learning new things, as well as a 4 year old hound mix who keeps my Newfs exercised.”

We recommend that everyone follow CDC and health department guidelines.

Working spots are limited and there are unlimited audit spots.

The cost for a working spot for both days is:

\$125 for one (1) dog and family, plus \$45 for an additional dog, and auditor spots are \$75. **Priority to CNC members.**

There will be rooms available at the:

Day's Inn, 25 S Cranberry Road, Westminster, MD 21157

Booking information coming soon.

Reservations must be made directly with the hotel.
