In preparation for this it is requested that you send a picture of your dog (with or without a cart) along with a one paragraph writeup about your dog at least one week following your entry being made. Please include your name and a contact phone number where you can be reached if more info is needed.

Pictures and writeups should be emailed to Donna Foy at dlfoy59@aol.com. Pictures can be sent in jpeg, png, or other format but should be separate from your writeup. If you have any questions or issues with sending your info please feel free to contact Donna Foy by email or text at 919-922-9419.

The “RUSHIE” Award

In honor of Sunvalleys Changing Tides (RUSH), owned by Heidi Peterson and the FIRST Newfoundland dog to earn an NCA DDX TITLE, a special “RUSHIE” Award will be given to the team that most exemplifies exceptional teamwork and connection between dog and handler. The award recipient will be determined by the judges at the conclusion of the test.

DDX CHALLENGE COURSE

Ever get bored practicing the same maneuvers all the time? Looking to show off your dog’s special talent? Want an opportunity to win Cash and Prizes (OK maybe just prizes)? If your answer is YES, then the DDX CHALLENGE COURSE is right up your alley!

After completing your DDX test head over to the DDX CHALLENGE COURSE. Try one or more of the 4 maneuvers offered. Your choice! A separate prize for successful completion will be given for each one. The course will consist of fun and challenging maneuvers such as completing a 360-degree turn while keeping one wheel inside an 18” box, maybe completing a backward figure 8, or how about a 12” 90-degree turn or stopping on a dime by stopping one wheel on the challenge marker. Exact challenge maneuvers announced on test day.

The Challenge Course will be open only to the DDX ENTRANTS. When you’re ready to give one or more of the maneuvers a try just look for one of our Challenge Course judges. (Judges announced on test day)

Eligibility

NCA draft tests are open to only purebred Newfoundland dogs of either sex that are at least 18 months old on the date of the test. Other restrictions listed in the NCA rules also apply. Bitches in season are allowed but will be tested after all other entrants have been tested that day. Please inform a test committee member as soon as possible if you will be bringing a bitch in season to the test. They must be crated away from other dogs in an area designated by the test committee. At least one other bitch must be available to perform group exercises with any bitch in season. Bitches that have had an ovarian sparing spay are required to be tested as "Bitches in Season".

Entries and Fees

Entry fee is \$50.00 for all single or team entries.

Online entry is available and is preferred at <https://www.ncanewfs.org/wdc/>

Entries will only be accepted from **NCA members online or postmarked Monday February 23, 2026, or later.**

Entries will only be accepted from **non-NCA members online or postmarked Thursday March 5, 2026, or later.**

All entries close at the home of the Test Secretary on **Friday, April 10, 2026 ,11:59 PM EDT**. After that time, entries cannot be accepted, canceled, altered, or substituted.

Note that to qualify for the 10-day earlier entry, either the owner or the handler must be an NCA member. If the dog is co-owned, either all the co-owners or the handler must be an NCA member.

Entries will be accepted online or by mail only. Entries postmarked prior to the appropriate opening date will be returned. Available entry slots will be filled according to the online entry date or the postmark date. All entries submitted online on a given date, no matter the time of day, will be treated equally, along with entries postmarked on that same day. Priority will be given to entrants who have not earned titles in the Division entered.

If the number of entries with the same date exceeds the number of available slots, a drawing will take place to fill the vacancies and determine the alternates. All entries

received after the entry limit has been reached will be placed on an "alternate list" by order of those without titles, in order of postmark or online entry, followed by requalifiers in order of postmark or online entry. If withdrawals or absences occur prior to the start of the test, the test secretary will substitute entries from the alternate list. When notifying exhibitors of their entry numbers, exhibitors on the alternate list will be notified of their position on the list.

Entrants who learn they will be unable to attend a draft test must contact the test secretary immediately so exhibitors on the alternate list may be notified. Entry fee will be refunded if withdrawal of an entry is done prior to the closing date of the draft test. Entry fee will be refunded for those on the alternate list who cancel entry prior to the closing date. Entry fees will be refunded after the closing date if the entrant tests positive for Covid 19. Entry fees will not be refunded for a dog on the alternate list who would have made it into the test had the dog been in attendance on the day of the test. Please refer to Draft Test Regulations Revised May 2022, Chapter I, Section 12: Entry Limitation - "Alternates and Refunds."

If a handler has been assigned a spot in the test but their dog passes at a previous test, the handler must notify the Test Secretary by 6:00 p.m. the night before the test as to whether they will be withdrawing from the test (for which there will be no refund if after the closing date), requalifying in the same Division (if space is available or being added to the end of the alternate list), or transferring to a different Division. Should a test have an alternate list, the Test Secretary should note that any dog earning a title and subsequently requalifying will go to the end of the alternate list and the first alternate will move into the test. A dog that passes Beginner Draft Dog can either requalify or transfer to the Draft Dog test at a subsequent test. A dog that passes Draft Dog can requalify, change to a Team Draft Dog entry, or transfer to the Draft Dog Excellent test at a subsequent test. A dog that passes Draft Dog Excellent can either requalify or transfer to Draft Dog as a requalifier at a subsequent test should space be available for a requalifier.

If you wish to enter via postal mail, please make checks payable to **Colonial Newfoundland Club** and mail to

Paula McPherson

Please include a copy of the dog's AKC or CKC registration papers and do not mail with "signature required."

Waiver of Rights - Animals in Distress

The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all people attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety, and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Dogs found in an unsafe environment, distress, or in harm's way (for example, left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress, or harm's way is considered mistreatment and subject to appropriate discipline.

Out of Control Dog Policy

This policy was approved by the NCA Board of Directors on November 11th, 2023.

At all NCA Events dogs must be kept under control to prevent harm to themselves or others. It is the owner/handler's responsibility to ensure their dogs are under control for the duration of the event.

At NCA events dogs must be crated or leashed and collared at all times, except when the dogs are required to perform off leash. When dogs are leashed, the length of the leash must not exceed SIX (6) feet, and the leash may NOT be a retractable leash.

Dogs should not be allowed to approach another dog without permission from the other dog's owner/handler.

*Any dog that, in the opinion of the Judges, event committee or designated safety officer representing the event, appears dangerous, shall be asked to leave the event promptly or be crated for the duration of the event and **is excused from further participation in the event**. Anyone who witnesses a dog appearing to be dangerous should bring their concerns to the Judges, event committee or safety officer. Part of upholding good sportsmanship is to take action through the appropriate channels.*

Examples of out-of-control behavior would include but are not limited to: Aggressive vocalization such as barking and growling, or aggressive behavior toward any person or animal such as snapping, biting, lunging, charging, attacking, or attempting to attack at any time while on the test grounds.

Owners and handlers are responsible for monitoring the well-being and safety of their dog(s). If left unattended the owner/handler must check on them frequently to ensure they are safe.

*If the dog is excused from the test grounds for aggression, the automatic grievance policy of the NCA is enacted. If an injury **to dog or person** occurs, the AKC Rules Applying to Dog Shows Ch 11, section 15 goes into effect. (References, chapter 2, section 14 in both water and draft regulations)*

Spectators and Unentered Dogs

Spectators are welcome at the Draft Test but are encouraged not to bring unentered dogs. Unentered dogs and dogs not currently being tested are not allowed in the official Draft Test testing areas. As a courtesy to the entrants, please keep unentered dogs quiet and keep them leashed or crated at all times. Unentered dogs are not allowed in the Reserved Crating area.

Trophies and Gifts

Each qualifying dog and handler team will receive an award to commemorate their achievement. Each entrant will receive a gift as a memento of their participation in the National Draft Test.

Each exhibitor is responsible for the knowledge of the official NCA Regulations governing a Draft Test and the applicable Standards of Performance. Regulations can be downloaded from the NCA website by choosing Draft Test Regulations on the page . <https://www.ncadogs.org/forms.html>.

All dogs not currently being tested should always be leashed or crated. They cannot walk any maneuvering or freight haul courses except during official course familiarization times. As a courtesy to other entrants, please try to keep your dogs quiet.

Online Entry

The preferred method of entering the draft tests is online at: <https://workingentry.ncadogs.org>

If you are an NCA member, you will provide your login and password. If not a member, you will provide the same contact information that you would provide on a paper entry. You will need to upload a copy of your dog's registration certificate, so please create an electronic version of that document ahead of time. You will be prompted for your credit card information to complete the entry. If you need to pull or change your entry later, that must be done through the test secretary and not using the online entry tool.

Weight Exchange Items

The DDX and TDDX tests require the entrant to perform a weight exchange. The test committee will provide the following items for this maneuver: Three pieces of granite for the required total of thirty pounds for DDX. There will be another set for TDDX.

Area Lodging & Camping
