

# Colonial Newfoundland Club's Water Training Seminar with Sue Marino

July 16 & 17, 2022  
Codorus State Park Hanover, PA

## Sue Marino

There is nothing like the bond that is formed between you and your dog when you are truly working as a team. Now my favorite activity is helping others to learn to form this bond. I teach workshops in draft and water training, assist area training groups, and teach private lessons usually in draft and water skills but I occasionally deal with behavior issues. I enjoy being involved in our local tests and often steward for other regional clubs.

I serve as the regional club liaison on the NCA Board of Directors and continue to serve on the NCA Working Dog Committee after chairing the committee for 8 years. I also served as the President of the Newfoundland Club of New England as well as many years as their working dog secretary. I am a mentor level water and draft test judge. I live in Auburn, MA with my very understanding husband, Bob, (he dog sits when I judge and go to Nationals), two Newfs, a 13 year old rescue girl and a fun, newly senior boy who is a VN, as well as a 2 year old bloodhound mix who keeps my Newfs exercised.

COVID-19 Protocol: Event attendees voluntarily assume all risks related to exposure to COVID-19.  
We recommend that everyone follow CDC and health department guidelines.

**Working spots are limited and there are unlimited audit spots.**

The cost for a working spot for both days is:

\$125 for one (1) dog and family, plus \$45 for an additional dog, and auditor spots are \$75. **Priority to CNC members.**

CNC has a block of rooms at the Day's Inn, 25 S Cranberry Road, Westminster, MD 21157 for July 15 & 16. **Reservations must be made directly with the hotel to get workshop rate which is \$99+ taxes (Pet fee waived) per night.**

**Colonial Newfoundland Club is the block name, and their phone number is 410-857-0500. The group reservation block expires June 21, 2022.**
